## About This Game

\*\* Currently only supports the Vive \*\*  
\*\* Currently in early access / alpha testing \*\*

Delve deep into hidden dungeons. Explore, fight, find, level up.

Featuring:  
Randomly generated dungeons  
Difficult combat  
Traps  
Interesting AI  
Real world locomotion  
Throwing weapons  
Swordplay

With more coming soon!

Understand that this is currently an Alpha, and as such we are letting people play for free. Expect there to be some bugs, issues, and an underwhelming amount of content for now.
